

Level of Care

Glencarrig Nursing Home provides 24-hr nursing care for up to 25 dependent adults, both male and female, with the following care needs : General care, Dementia, Physical Disability and Intellectual Disability. We can provide care for all dependency levels, usually long-term care although respite care can sometimes be accommodated.

Our person-centred care accommodates each Residents' individual needs and preferences, respecting their rights, values, dignity and privacy and actively involving them in the provision of care.

Our Staff

Our staff are on hand 24-hours a day to care for our residents' needs. We are very lucky to have a low turnover of staff and can boast some members of staff being with us for over 15 years. We feel this reflects the dedication of our staff to our residents.

Cost

We appreciate that cost is often a prime concern for individuals seeking a residential home and for their families. Glencarrig is an approved centre for Fair Deal, the HSE's Nursing Home Support Scheme.

Please call any time to arrange a viewing.

Glencarrig Nursing Home is a small family run nursing home in a quiet cul-de-sac off the Firhouse Rd in south-west Dublin.

We believe that the standard of care is the most important consideration in choosing a Nursing Home. We aim to provide a happy, homely and secure environment which will enhance the health and wellbeing of our residents through compassionate and professional care.

One of the first things people comment on when visiting Glencarrig Nursing Home is the homely & friendly atmosphere.

Glencarrig is very much a "home from home" for our residents.

Accommodation

We offer single, double and triple room accommodation, either en suite or adjacent to a bathroom. All rooms have a nurse-call alarm system and are comfortably furnished. Personal items may be also brought in from home, of course.

All bedrooms are bright and spacious enough for residents to entertain visitors. Residents can also welcome friends and family in the communal lounge area, the dining room or in the Visitors sitting room if privacy is preferred.

Our communal lounge area is where daily activities such as music, sing-songs, exercises, crafts & board games are held.

Our beautiful garden is ideal for sitting or walking in during finer days for visitors and guests alike.

Quality of life

Glencarrig is a HIQA registered nursing home. As such, we either meet or exceed the necessary standards for care and service provision. Primarily however, Glencarrig is our residents' home and it is our aim to ensure that it feels like 'home' to them.

Creating a comfortable, homely and relaxing atmosphere coupled with 24-hour nursing care is of paramount importance to us.

Mobility levels vary from person to person and activities are tailored accordingly. Some residents enjoy gardening, outings, knitting, crafting, baking, painting or various other hobbies and interests. Other residents prefer to sit, read, chat or listen to music.

Activities

At Glencarrig our aim is to ensure that all residents can enjoy life to the fullness of their abilities and interests.

Outings and activities are organised on a planned basis and are tailored both individually and seasonally in consultation with the residents.

Examples of activities include:

- Art
- Baking
- Exercise classes
- Flower Arranging
- Gardening
- Knitting, Crocheting, Embroidery
- Reminiscence Therapy
- Sing-songs
- Sonas Therapy
- Visits to the Trustus Day Centre
